Bringing Ethics into the Conversation: Professional Responsibility in Engineering [Webinar]

Author(s)

Michael Loui
Jeff Brown

Description

For a new OEC webinar series, “Working Ethics into the Conversation,” Dr. Rosalyn Berne, Director of the NAE’s Center for Engineering Ethics and Society, hosted students, academics, and professionals in conversations about teaching ethics. The first webinar conversation was broadcast Feb. 25, 2020. In this webinar, Dr. Michael Loui, professor emeritus of electrical and computer engineering, University of Illinois at Urbana-Champaign, spoke on the subject of "What Is Professional Responsibility in Engineering?" and explained why as professionals engineers have special responsibilities.
